

SEPTEMBER 12, 2018

THE WEEKLY STALLION

Director's Message:

What a phenomenal first few weeks of school we've had! Grandparents Day celebration brought about familiar faces and connections from different generations that share their love for Agape. We have leaders in the making as seen during our observance of September 11th. I have spent some time getting to know your children, visiting classrooms and finally seeing first-hand what a friendly, supportive, faith-based community we have at Agape Christian School. I am touched by the warm welcomes and smiling faces on children and families. I did not realize how much I missed the frequent sounds of laughter, the footsteps of busy children, and the everyday stories and conversations children and parents share! Each child and family bring to Agape something unique and special. We recognize God has given every child unique gifts, and we are here to help students discover and reach their God given potential through our love and support. What gifts God has given you, we hope you can find an opportunity to use here to enhance our community of learners. Please join us in making our students experiences great! God continues to bless our school with committed teachers, talented volunteers and amazing children that make Agape special.

In His Service, Sandra Ehlinger

As each has received a gift, use it to serve one another, as good stewards of God grace. 1 Peter 4:10
