THE WEEKLY STALLION

Deuteronomy 16:17

Every man shall give as he is able, according to the blessing of the LORD your God which He has given you.

When we give our offerings of money or time or talent to God, he doesn't compare our offerings to those of other people. Some of us have more time or more money than others to begin with. God looks at the attitude we have about giving. When we give with a generous and thankful heart as much as we possibly can, God is very pleased and happy. Most of us have what we need to feel safe and secure, but there are many people in the world who lack these basic things. Some people don't have homes; some are cold, thirsty, and hungry. Others are sick and lonely. When we give care to people who need help it is as if we are giving the care directly to God. There are several ways our Agape Family can help those in need in our community and beyond. During the month of November, you can bring non-perishable food items for our food drive sponsored by the Student Council, or bring much needed school supplies, diapers and wipes for Hurricane relief in Florida sponsored by our ACS Cheerleaders. Let's support our students and their servant hearts with this endeavor and show how Agape can make a difference!
