THE WEEKLY STALLION

All your children will be taught by the LORD, and great will be their peace. - Isaiah 54:13

God wants you, as a Christian parent, to instill His Word in the hearts and minds of your children. This is accomplished at Agape Christian School where we send the same message as home and church by teaching God's truth with clarity, conviction and consistency in all areas of the day. The benefits of such a commitment are very quickly realized in how your children handle themselves, learn and grow spiritually. An education that uses God's Word as its foundational text does more than produce spiritually grounded Christians. It makes them wiser and more knowledgeable and forces them to be better thinkers. And isn't that the goal of education in the first place?
